LCD Display and Push-Button Controls

Automated Booklet Making at the Touch of a Button

The FD 180 Booklet Maker is a compact and efficient addition to any office, church, school, small print shop or in-plant operation. Quick and easy setup leads to professional-quality booklets, at the touch of a button. Choose one of six pre-set sheet sizes or program up to 6 custom sizes into memory. The LCD Control Panel and push-button controls make this desktop unit easy to use. Staple and fold up to 15 sheets of 20# bond with two automatic staplers in a choice of five stapling positions. Automatic operation and a time-delay feature give you the ability to create up to 500 booklets per hour.
