### Product Description

The highest security combines with the highest efficiency to make this durable, super-quiet shredder. The TAA Compliant CHS10-30 is a commercial-strength powerhouse – it's the ultimate tool when you need to shred sensitive documents quickly and easily.

### Features

- Designed to provide the ultimate in high security shredding to large groups of users. P-7 Level Security meets the very highest security needs as defined by the NSA.
- Convenient Jam-Stopper feature detects jams and automatically reverses excess papers. Lights indicate if paper capacity is exceeded, helping users prevent jams before they occur.
- Continuous duty run time allows you to shred more paper, faster. Intelligent Power Save auto shut down feature with automatic wake-up helps conserve energy.
- Convenient, ultra-quiet function keeps noise levels below 60dB to prevent disruptions in quiet workplaces. Intelligent SelfOil feature extends cutter life.
- Large 30-gallon pull-out waste bin provides plenty of space for shreds. Bin full indicator lets you know when it needs emptying. Machine shreds up to 10 sheets at a time.
- GBC stands behind this high-quality shredder with a limited 2-year warranty with on-site service.
