1703097

## Product Description

The Fusion 6000L is designed for speed. Laminate handouts, keepsakes and photos to extend the life of your most used items. Whether you're laminating for a classroom, office or home use, the Fusion series will help you preserve your documents with style.

## Features

- Our sleek, modern laminators are best in class and will keep up with all of your projects. Perfect for busy offices or any environment with heavy laminating needs.
- Get more done in less time. Laminator warms up in just 1 minute for quick and easy use. Laminate up to 40 documents in 10 minutes, with 47" per minute laminating speed.
- The 12" laminating width allows for a large variety of projects, while smooth rollers keep projects wrinkle-free. Compatible with any 3, 5, 7 and 10 mil pouches.
- Advanced auto pouch thickness detection identifies the mil thickness of your pouch and document. It automatically adjusts to the optimal settings to create a perfect seal.
- Laminator comes with an industry best 3 year warranty and 50 letter size EZUse Premium Speed Pouches, which seal on the longer side to reduce processing time by 22%.
- Lamination is simple with the touch button interface and feed guides. Auto jam detection and motorized reverse clear errors, while auto shut off provides safety and conserves energy.
