

System One VeloBind®/SureBind® Manual punch and electric finisher

All-in-one efficiency

Get professional-looking VeloBind® or SureBind® results with this all-in-one punch and bind system. The manual punch handle is convenient for right- or left-handed use. The pressure bar and alignment guide hold documents (up to 1" or 250 sheets) in place during electric finishing.

VeloBind and SureBind spines

These spines add a smooth, book-like finish to your presentations. Both styles lock pages permanently in place without visible holes, tapes or fasteners and are perfect for mailing, filing or stacking.

Features and benefits

- Ready light indicates when binding is complete
- Extra-large drawer for paper chips and pin debris
- Binds documents up to 14" in length
