

# Martin Yale® J1811 & J1824 Padding Press

J1811

J1824

### Martin Yale® J1811 & J1824

- Ideal for print shops large or small
- Simple operation that makes it easy to handle most padding jobs
- Works great for carbonless forms, note pads, and scratch pads
- Has wing screws that tighten by hand - no tools necessary
- Machine can be tipped back to allow paper to be pressed against the removable back to ensure squareness
- Padding compound sold separately
