

# Swingline® SmartTouch™ 3-Hole Punch, Reduced Effort, 20 Sheets

Swingline

A7074133

## PRODUCT DESCRIPTION

A low force punch reduces the amount of effort it takes to punch holes. It is 60% easier to punch 3 crisp, clean holes through as many as 20 sheets with the SmartTouch punch than with a standard paper punch.

## FEATURES

- SmartTouch reduced effort 3-hole punch with reduced effort design makes punching 60% easier than traditional hole punches
- Soft grip handle helps improve comfort of manual hole punching
- 20 sheet paper punch capacity. Fixed punch heads punch 9/32" holes.
- Hole pattern in punch base allows user to see when chip tray is full
- Chip tray has a flip open feature for easy disposal of paper chips
- Handle locks into a closed position for compact storage
- Durable metal construction
- Features a built-in ruler and edge guide for punch alignment
- Limited 1 year warranty
