

GBC EZUse Thermal Laminating Pouches, Letter Size, 5 mil, 10 Pack

3747324

PRODUCT DESCRIPTION

Preserve your most important documents. Designed for simple loading and alignment, GBC EZUse Thermal Laminating Pouches are perfect for quick and even lamination.

FEATURES

- Create stunning results with impeccably accurate and easy to use lamination pouches. Documents will remain bold with the UV protection, which prevents fading and discoloration.
- With alignment guides and mil icons directly on the pouch, you can eliminate unnecessary waste. Perfectly align your documents and easily select the best laminator setting.
- Arrows on the static-resistant pouch clearly indicate loading direction. The arrows, alignment guide and mil icon all disappear after lamination is complete for crystal clear viewing.
- Pouches are compatible with any thermal laminator, including the GBC Fusion 7000L and GBC HeatSeal H700, sold separately.
- The 5 mil thick pouches provide solid protection with limited flexibility. These 9" x 11 1/2" pouches are perfect for letter sized documents. Pack includes 10 pouches.
